

Warranty & Returns Policy

Document code: WRP-2020 | Effective: 1 January 2020

1. Warranty

1.1 All products are warranted against manufacturing defects for 18 months from the date of despatch or 12 months from the date of commissioning, whichever is earlier.

1.2 Warranty covers repair or replacement at DRI's discretion. Consumables, wear parts, and damage from improper installation are excluded.

2. Claims

2.1 Claims are to be lodged through the authorised distributor with the invoice number, serial number, and commissioning report where applicable.

3. Returns

3.1 Unused goods in original packing may be returned within 30 days of despatch against a restocking charge of 10% of invoice value. Made-to-order items are not returnable.

Approved: Madhukar Deshmukh, Chairman — 12 December 2019

Addendum A — FlowTech Products (scanned copy on file; undated)

Pursuant to the acquisition of FlowTech Industries, Coimbatore, warranty on FlowTech-branded products already committed to the market will continue to be honoured at 24 months from despatch until existing stock is exhausted. Thereafter the standard DRI warranty applies.

[Illegible signature] — FlowTech Industries transition office

Filing note (F. Contractor, Compliance): original is an unsigned, undated scan. Flagged for regularisation before the November audit.
